**TOBACCO AND VAPOUR PRODUCTS CONTROL ACT – 09.01.16**

On September 1, 2016 the Tobacco and Vapour Products Control Act came into effect. In addition, the provincial buffer zone around all doorways, open windows and air intakes increased to 6 metres.

**Please refer to** 2.2 (1) No tobacco or vapour product use on school property  
[http://www.bclaws.ca/civix/document/id/complete/statreg/96451\\_01#section10.1](http://www.bclaws.ca/civix/document/id/complete/statreg/96451_01#section10.1)
